*The Faculty Senate is the elected and representative body of the Faculty. The Faculty Senate shall consider, make recommendations, and pass resolutions concerning matters of university interest, including policies and processes regarding curriculum, academic programs, research, and Faculty status, and other responsibilities and obligations necessary for shared governance of Governors State University (GSU Faculty Senate Bylaws, Article II, Section 2).*

*The Senate usually meets in the McGee Hall of Honors on the third Thursday of each month during the academic year. The meeting schedule, Senate roster, and latest draft agenda can be found in the display case outside the Hall and on the Senate's page in the Portal. All members of the GSU community are welcome and encouraged to attend.*

It is my pleasure to summarize the Senate's activities for the year.

1. The Academic Program Review Committee, chaired by Amy Vujaklija, reviewed 30 programs and certificates. The University Curriculum Committee, chaired by Catherine Tymkow, reviewed 230 courses, programs, and certificates. As the volume of their work has not decreased, the Senate extended the at-large expansion seat for another year and the Executive Committee has created four additional expansion seats.
2. The Institutional Policy Committee (IPC), chaired by Kim Boland-Prom, proposed revisions to 34 university policies. At our May meeting, Senate approved amendments to Policies 4 (Student Conduct), 5 (Student Grievance), 7 (Curricular Requirements for Status Change), and 31 (Transfer Credit for Undergrads), and recommended deprecation of Policy 11 (Qualifications for Student Senate). Both the IPC and the Academic Policies Committee (co-chaired by Chelsea Vanderpool) now regularly post proposed amendments in the Portal for campus comment.
3. The General Education Council, chaired by Maristela Zell, conducted juried assessments of fourteen GenEd courses. At our May meeting, Senate approved a slate for submission to Provost Cada for the appointment of J. Christopher Tweddle as Director of General Education and Alli Cipra as Associate Director of General Education.
4. Faculty Senate approved six resolutions and one bylaws amendment, appointed faculty to fill 42 vacant seats in university shared governance, and welcomed six guest speakers, including Johns Hopkins University Professor Benjamin Ginsburg, author of *The Fall of the Faculty* (Oxford, 2011). The Senate also evaluated the shared governance posture of every university-level body according to the principles articulated in Resolution UFS 2020-21 No. 02. At our May meeting the Senate certified the 2021 annual Shared Governance Elections.
5. Senators represented the faculty at the Graduate Studies Council, the Planning and Budget Advisory Council, the Student Enrollment Management Executive Leadership Team, The Institutional Review Board, the Administrative Policies Committee, the Commencement Advisory Committee, the Illinois Board of Higher Education Faculty Advisory Committee, the Council of Illinois Faculty Senates, the Board of Trustees, and several university committees.

6. The final 2020-21 Shared Governance Roster is attached for your records and to support your applications for retention, tenure, promotion, and PAI.
7. As I do every summer, I am collecting a list of volunteers for appointment to vacancies. To that end, I am also attaching the latest version of the 2021-22 roster. Please read it carefully and let me know if you are interested in filling any of the Senate-appointed seats next year.
8. The Faculty Senate is currently planning to hold its August meeting in the Hall of Honors (with Zoom as an option), where we also intend to hold our annual Senate-Administration Retreat and Awards Luncheon. All in attendance will be expected to adhere to any pandemic guidelines still in place then. We encourage other groups to utilize the campus and its buildings within the limits of current guidelines but to fully respect the rights and needs of all who choose to attend electronically.

This will be my final regular report as your Senate president. It has been an honor and privilege to serve you. I have tried to lead with verve, equanimity, and patience. I have not always succeeded, but I hope you have learned as much about academic shared governance as I have. And I hope I have inspired you to engage in university leadership.

I have been fortunate to have worked with some the very best Senate officers our faculty has produced: Mary Carrington, Daniel Cortese, Jayne Goode, Alice Keane, William Kresse, Rashidah Muhammad, Catherine Tymkow, and Barbara Winicki. Special thanks also to Zion Banks, Carney Barr, Paul Blobaum, Deb Bordelon, Paul Bylaska, Marlon Cummings, Karen D'Arcy, Will Davis, Rupert Evans, Ellen Foster Curtis, Lauren Healy, Monica Holden, Veronica Hunt, Joan Johns-Maloney, Lynn Johnson, Ned Laff, Larry Levinson, Elaine and Mort Maimon, Andrae Marak, Lester Van Moody, Kerri Morris, Beth Parin, Penny Perdue, Chuck Pustz, David Rhea, Lana Rogachevskaya, the late Dale Schuit, Colleen Sexton, Justin Smith, Anibal Taboas, Andrius Tamulis, Chris Tweddle, Chelsea Vanderpool, Ann Vendrely, Amy Vujaklija, Ellen Walsh, Kymbria Young, Maristela Zell, and Jun Zhao.

Mere months ago, we fled campus in fear for our lives. Incompetent national leadership worsened the emergency. Far too many of us lost loved ones.

As I write this, however, the sun is shining, highly competent leaders again reside in the White House and the Naval Observatory, and every day more and more of our friends, neighbors, and relatives are fully vaccinated. Although we still face many challenges, I am confident that, together, we shall overcome.

As always, I am happy to take any questions via email and provide additional documentation on request. I wish you and your loved ones a happy and healthy summer and look forward to being with you in person once again.

I wish you a restful summer and remain yours in shared governance and academic freedom.

David Hamilton Golland
